Business at hand:

Discuss potential approval of No Parking zone: Deb stated Members of the Sheriff's Dept. stopped into her office yesterday to discuss the 90 day Sheriff No Parking rule. The MI State Police are not moving on it. Protests are getting larger and more volatile. Several residents are complaining about blocking traffic and noise. Fastest way to implement No Parking is for Twp to adopt a No Parking Ordinance. The Sheriff's Dept was able to get our attorney firm to prepare the ordinance at no cost to the Township. Signs will be paid by GEO, as will maintenance & repairs. There was a discussion whether this may actually incite more violence. Sheriff believes this is another tool to help them with crowd

control. If not working can be amended or rescinded any time. Signs will say No Parking Tow Away Zone. Road Commission will install signs. Residents can simply call sheriff dept for a variance anytime they need additional parking for gatherings. Towing will be last resort action. Deb made motion to approve the Township No Parking Ordinance with support by Pat. 5 Aye votes. Motion carries.
